## On-Line Registration

- Who can use on-line registration?
  - *Parents/Guardians of students who were enrolled during the past 18-19 school year.*  
*NOTE: if you are adding a new student, you will be given that option when you log in.*
  - *Parents/Guardians of new students enrolling in the district for the first time.*  
*If you are new to the Panhandle district, you can begin the registration process by clicking on the "New Student Link" under the "On-Line Registration" tab.*
- What is required for on-line registration?  
*If your student was enrolled in 18-19, you must have access to your child's school account.*
- How do I know if I have access?  
*If you have checked your student's grades or lunch balance online, you have access.*
- What if I have never checked my child's account or have forgotten how?  
*Contact your school's office. You will need to provide a valid email address.*
- Will I still need to bring forms to in-person registration?  
*No. All forms required to attend school the first day will be completed during on-line registration.*  
*NOTE: If this is your first time registering students in our district, you will be required to bring in specific documents directly related to first-time students.*

Parents will still be required to provide additional documents such as proof of school/sports physicals, dental/eye exams, medication forms, etc. A list of required school forms and the grades they pertain to are available here <http://www.panhandleschools.com/index.php/registration>  
These forms can be printed out and completed and brought to the school or sent with your child.

## On-line fee payment

If you have access to on-line registration, you will also be able to pay your school fees and deposit money into your child's meal account using any major credit card. A convenience fee will be added to each transaction to offset the cost of the service.

If you prefer to register in person, information regarding registration dates can be found here <http://www.panhandleschools.com/images/1920%20Reg%20Forms/Panhandle%2019-20%20school%20registration%20press%20release.pdf>
